

Targeted Display

KEYWORD CONTEXTUAL

How it works

- Target consumers who recently viewed content containing keywords relevant to your business.
- Reach users viewing online content containing keywords that you've designated as targets for your business.

Why it works

- Viewers only see ads they're interested in, and you only serve valuable impressions to the right viewers.

When we use it

- To introduce or reinforce your brand throughout the consumer journey to users who have recently researched information relevant to your brand.
- Works best for businesses whose audience can be pinpointed by keyword.
